

Provisional Prices for 2018

Please note ISCA reserve the right to change these prices up to 1 August 2017 in the event of dramatic changes to airline pricing.

Travel

All flights are on scheduled air services unless stated otherwise. Tickets and full travel details are provided well before departure date. Parents are responsible for travel arrangements to and from their departure airport. On arrival in England, groups are met by coach and transferred to our campus.

Insurance

ISCA carries Public Liability and Employer's Liability insurance. Parents are advised to take out additional travel insurance to include trip cancellation, trip interruption, loss of baggage and emergency medical cover. This should be arranged independently.

Prices below are in US Dollars except where indicated. All prices include round trip air fare, transfers, accommodation, meals, coach trips, admission fees, entertainment and on-campus activities. Please contact us if you would like a price from an unlisted airport.

Land-Only Price

The land-only price is \$5,590 US dollars. This excludes air fare but includes accommodation, meals, coach trips, admission, entertainment and on-campus activities. This price stipulates that the child's flights are arranged independently and the child is dropped off and picked up from the campus.

If you would like your child to fly with the group but you wish to book the same flights independently using frequent flyer programs this option should be selected. Please note, due to airline regulations selecting the land only option must be done at the time of booking and cannot be changed.

Booking

Schools should submit their final numbers by Monday 16 October 2017. The booking is then confirmed by a 30% parent deposit payable using a debit or credit card before 31 October 2017. The remaining 70% balance is payable by 31 March 2018.
