

ISCA Mobile Phone Policy

Mobile Phone Do's...

- Students may use their mobile phones to message or call home between 7.00pm and 9.00pm each evening. This should be done within their own boarding houses.
- On arrival into the UK students will be given the ISCA emergency number. They may of course use their phones to call this number whenever necessary.
- Students are encouraged to use their mobile phone to take pictures when touring off campus.
- Students are permitted to use their mobile phones to listen to music etc. when on the buses.

Mobile Phone Do Not's...

- Mobile phones must not be used when in the dining rooms or when having lunch off campus.
- Mobile phones must not be used whenever information is being given during a presentation, a house meeting or when being addressed on the coach.
- Mobile phones should be put away when touring the many wonderful sights we visit and during any guided walks. Naturally they may be used for the taking of pictures.
- Mobile phones must not be used during on campus sports and activities and should be left in the boarding house.
