Voluntary Title & Dates

ISCA Academy Position

Sunday 5 July – Sunday 26 July 2026

Voluntary Role Overview

During the three weeks you will support experienced ISCA staff in leading the tours when we are off campus and running the sports and activities during our on-campus days. All our team should be comfortable working with 12 to 15-year-olds, with previous experience of this age group preferable. The ISCA team are committed to giving our students a thorough understanding of British history and culture, either through the places we visit or through the sports and activities we do on campus.

Additionally, you will support the Heads of Houses in a pastoral role in the boarding houses. Each campus has 4 boarding houses with at least 3 ISCA adults in each house. You will therefore be responsible for the students on your floor, ensuring they are in their rooms after lights out, wake up on time in the morning and monitor any homesickness or pastoral problems as and when they develop. You will be required to communicate any issues with the Head of House and the International Chaperones effectively, as well as carry out roles as required by the Head of House, On-Campus Director or Programme Director.

Summary of Main Responsibilities

- To ensure each student has a happy and truly memorable three weeks.
- To enhance the students' knowledge of every site we visit.
- To encourage the students to explore each site in small groups, providing them with clear instructions on the meeting points and timings throughout the day.
- To be knowledgeable about every place we visit, so you can give an academic talk on the coach if required and share information with students and chaperones.
- To help teach a range of different sports to groups of approximately 30 students during on-campus days.
- To help supervise evening activities.
- To work with the ISCA team and the international chaperones to ensure the programme runs smoothly.

Other Duties

- To wake the students up every morning and to make sure they are in bed every night.
- To accompany the coaches to the airport to collect and drop off students.
- To write the ISCA Blog on two occasions during the ISCA Programme.
- To take photos on the ISCA Camera on at least one occasion during the ISCA Programme.
- To carry out basic first aid in emergency situations, in conjunction with the ISCA Medical Officer.
- To implement ISCA's Terrorism Response Policy in the very unlikely event of an attack during the programme.
- To work alongside the international chaperones when dealing with any issues of homesickness.
- To prepare the sports equipment and houses for student arrival on the first day.
- To clean up the houses and put away sports equipment on the final day.

Location

We have two campuses. Successful applicants will be allocated to either:

- Charterhouse School, Godalming, Surrey
- Cranleigh School, Cranleigh, Surrey

Pay
